

# CEO Elevate.

A comprehensive process to drive CEO performance.

Building CEO capabilities requires constant attention, such are the changing conditions that surround us. In the busy-ness of life, it is unlikely that all this focus can be generated by the CEO alone, thus the need to have in place a set of processes that help power the CEO to full performance.

The **CEO Elevate** offering brings together a set of interventions that culminate in the writing of **A CEO Strategy**: a succinct, comprehensive plan for CEOs to lead their organisation toward optimal performance. The value of such a playbook, when delivered by the CEO, is immeasurable.

\* The engagement period is **6 months** and the offering is available globally.

## Over the 6 months, the comprehensive offering includes:

- ✓ Three CEO Advisory engagements (substantial deep-dive conversations of between 2 - 3 hours) assessing your total performance as a CEO.
- ✓ Two Exco team-coaching sessions with your full Exco team including the CEO themselves.
- ✓ A 360-degree feedback report, amalgamating feedback from a selected group of contributors.
- ✓ Enneagram profile and debrief.
- ✓ Weekly 45-minute online CEO Forums in the company of like-minded global CEOs.
- ✓ Weekly CEO-specific content (original writing, white papers, case studies, anecdotal examples, book reviews, research) delivered directly to your inbox.
